Your full paper should be written in English and contain an abstract, keywords, body, conclusions, and references.

The full paper text should not exceed 4000 words (about 24000 characters, including spaces). The paper text can be submitted as a MS Word file (\*.doc or \*.docx format).

The total of all corresponding visuals (figures, graphs, tables, pictures, schematics) should not exceed the equivalent of two A4 size sheets and can be submitted as separate files in \*.xls, \*.xlsx, \*.jpg, \*.bmp or \*.pdf format.

Captions for your visuals should be part of the full paper text file. Make sure to tag your visuals with clear file names to enable identifying corresponding captions from the text file.

The full paper and all its corresponding files: text & visuals should be merged into one single ZIP file and then submitted via the Paper Submission link on the SteelyHydrogen website. The full paper submission deadline is 1<sup>st</sup> June 2022.

Your text and visuals will be processed for layout and publication in the SteelyHydrogen2022 Conference e-Proceedings, which will be made available at the beginning of the event to all registered conference participants. Additional copies of the proceedings will be available for purchase from OCAS.

Abstracts accepted as posters will also be published in the conference e-proceedings, provided you submit a full paper text with visuals before the submission deadline 1<sup>st</sup> June 2022 according to the guidelines for full papers above.

In order to grant OCAS NV the permission to publish your paper/poster in the Conference e-Proceedings, we kindly ask you to fill out and sign the "authorisation to publish" form below. Please merge the scanned copy of this completed form into the ZIP file containing all elements of your full paper prior to submission via the dropzone.
